Subject: Draft Points on Norway proposal

Hi Larke, Andrew, and Lia,

I leave today and arrive tomorrow in Geneva for the discussion on the Norway proposal. Anastasia has been keeping me informed and doing great work on the floor interacting with developing countries.

Attached is a draft that I have shared with Anastasia regarding the potential impacts of the Norway proposal, specific to developing countries.

I appreciate any feedback you have on the document, as well as the overall sense of the room heading into tomorrow's discussion.

Take care,
Stew
